Brief Description of Arguments to be Presented:

In a telephonic interview July 27, 2006, Examiner Kim called and stated that he had received the proposed amendments e-mailed July 25, 2006 and that these proposed amendments overcome the current references. The examiner further stated that he would need to conduct an additional search before the case could be allowed and that he would, therefore, not enter the amended claims.

An interview was conducted on the above-identified application on July, 27, 2006.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
